Dr. Druzolowski said by in March we should be able to give you the NEASC presentation. You might want to know about this before the presentation. Rosa Richardson said if you provide us with the data in our packets with our agenda that would be sufficient she would think. This way we will have the data to refer to before the night of the meeting. Dr. Druzolowski said yes she would have to do that because there are some things that she wants the board to take a look at.

Rosa Richardson would like to see more representation from our administrators in regard to what is going on in their particular school. Rosemary Russo said she talked to Neil about this and asked that one school a month come to the board meeting and because we only had March, April and May we thought we would start in the fall. Neil said and we do have the NEASC coming up in March. Rosa said OK thank you.

Chairwoman Pacelli asked for a motion to adjourn
Rosa Richardson made the motion
Jim Morrissey seconded the motion
All in favor
The meeting adjourned at 5:45 PM
