Discussion: George Monahan stated that he knew that the original list of seventy plus teachers represented a two year tenure or less. Now that we are down to approximately forty-five names do we have a rough idea of what tenure term this represents? Neil Cavallaro responded that yes this only goes back to people we hired last year and there are only elementary teachers on the list. 

George thanked Neil for this clarification. 

There was no further discussion. 

All Board Members voted in favor of this motion. 

Motion passed unanimously.
Ray Collins requested a motion to adjourn. Gerald Calabritto made the requested motion. George Monahan seconded this motion. All members were in favor.

The meeting adjourned at 6:05 p.m.

Respectfully submitted,
