Set up a passcode

1. On iPhone X and later, or iPad with Face ID, go to
   a) Settings
   b) Face ID & Passcode. On earlier iPhone models, go to Touch ID & Passcode.
   c) On devices without Touch ID, go to Settings > Passcode.
2. Tap Turn Passcode On.
3. Enter a six-digit passcode. Or tap Passcode Options to switch to a four-digit numeric code, a custom numeric code, or a custom alphanumeric code.
4. Enter your passcode again to confirm it and activate it.
